

# 2019 NASA Contingency Program Registration Form

Maximum Motorsports will provide a **\$1,000** cash award to the champions in American Iron, American Iron Extreme, Spec Iron, and the Camaro-Mustang Challenge at the 2019 NASA Championships event at the Mid-Ohio Sports Car Course, September 18-22.

To be eligible to receive this contingency prize, racer **must** fulfill the following requirements:

## Register for the MM Contingency Program

- *Before the start* of the first official NASA practice session for the 2019 NASA Championship event entered, register by completing this form and sending it to Maximum Motorsports by email, U.S. Postal Service, or fax. Check with us if you do not receive our emailed receipt within 72 hours.

## Have MM Products on Board

- Through the week of the 2019 NASA Championships event (September 18-22), the entered Mustang **must** be using at least one Maximum Motorsports product (see list on p. 2).

## Have MM Stickers on Board

- Prominently display a minimum of four Maximum Motorsports logo stickers.
- Stickers must be displayed *throughout the week* of the event: September 18-22.
- *Week of the event* is defined as the entire time the race car is at the track during the week of the Championship event This includes any and all non-NASA test days during the week prior to NASA's official start date of the Championship event.
- Stickers must be of a contrasting color to the body color to aid visibility.
- Choose sticker size and placement to ensure good visibility in photos and videos.
- Stickers must measure *at least* 3.5" by 12" in size (MM appreciates larger stickers).
- Stickers must be placed on each front fender, the front fascia, and the rear of the car.
- Fender stickers: Must be located *forward of the front wheel centerline*, unless the sticker is the large MM sticker (5.5" by 20") affixed to the fender as 10" wide by 12" tall, and is located on the fender immediately behind the wheel opening.
- Front sticker: Must be placed on the front fascia, must be located closer to the center of the car than to the front corner of the car, and must be visible and readable in a photograph.
- Rear sticker: Must be placed on the rear of the bodywork, not the rear window, and must be prominently visible to a camera located inside the cabin of a car following at a distance of three feet.

## Provide MM with Photos

- Supply Maximum Motorsports with a minimum of two action photos of your Championship-winning Mustang.
- "Action photos" are defined as photos taken of the racecar while it is on the track and moving.
- Photos must be submitted within 30 days after the event ends.
- The MM logo stickers on the car must be prominently visible and legible in both photos.
- To ensure quality acceptable to Maximum Motorsports for our marketing purposes, we **strongly** recommend obtaining photos from a professional photographer.
- Photos must be supplied with unlimited rights, for any and all usage, forever. It is *your responsibility* to provide MM with a signed release from the photographer.
- Photos must not have watermarks; there will be no attribution to the photographer.
- Contact MM for specific photo requirements (size, format, etc.).
- Photos submitted must have been taken during the week of the Championship event. Photos need not be taken during the race itself; photos may be taken during practice or qualifying at the Championship event.

## Notes

# 2019 NASA Contingency Program Registration Form

- Stickers for NASA Championship entrants are available at no charge; contact MM to get yours. Please specify size(s) and color. NASA does NOT have MM stickers at the event; contact MM.
- Any monetary prize awarded will be paid to the car owner, not the driver.
- If you are unsure of your sticker placement, check with MM to ensure acceptability.

**Please type, or print legibly with dark ink only.**  
Incomplete forms will delay or disallow the contingency award.
