

## **Maximum Motorsports Offers Contingency Programs for NASA's American Iron & Camaro-Mustang Challenge Championship Events**

SAN LUIS OBISPO, CA. — Maximum Motorsports will support NASA road racers with contingency-award programs for each American Iron and Camaro-Mustang Challenge class at both 2016 NASA Championship events; the Western States Championship at Buttonwillow Raceway, and the Eastern States Championship at Watkins Glen International.

The MM contingency-prize program will award \$1,000 to First Place champions in the AI, AIX, and CMC classes at each of the two NASA 2016 Championship events.

Eligibility for these NASA contingency prizes is not automatic. To learn how to qualify for these MM awards, visit the "Contingency Program" section linked at the bottom of each page of the MM website, [www.maximummotorsports.com](http://www.maximummotorsports.com); call (805) 544-8748, or contact NASA directly.
